

THE ETA NU-SLETTER

ISSUE 01 • APRIL 2022

BE A CATALYST

Catalyst 2022 was a new experience for the Eta Nu chapter this year! With speakers like astrophysicist Dr. Moogega "Moo" Cooper and Daymond John of Shark Tank, members in person and virtually were blown away by the strong messages that we have all earned our spot at the table.

Dr. Leslie Hafer of St. Petersburg College took home one of the awards for Distinguished College Administrator! In addition, a representative from Florida won the spot for Division II VP and we couldn't be more proud of them both.

FALL 2022 TERM FOUNDATION SCHOLARSHIPS

Did you know that the St. Petersburg College Foundation offers scholarships to their students, and it's as easy as filling out your information and answering a few short questions!

Cheryl, our VP of Service & Scholarship, has made it easy for us to learn more about what's offered. Check out the PTK MyCourses for more information on the scholarships currently available. No matter what degree you're pursuing, there is sure to be one that you qualify for and could win!

The Foundation scholarships for Fall 2022 have a deadline of May 18th, 2022 at 5pm so make sure to apply before then.

Any questions, please contact:
foundation@spcollege.edu.

ETA NU IN THE COMMUNITY

VOLUNTEERS NEEDED:

FRIDAY, MAY 6TH FROM 4PM-6PM

SATURDAY, MAY 7TH FROM 8AM-12PM

Volunteers on Friday will be helping to trim roses and prepare them for sale at SPC graduation. Saturdays volunteers will help sell the roses. All proceeds will go to PTK. Some of the benefits of volunteering with PTK are resume building, community service hours, and earning regalia. If you can help either, or both of these dates please email the president elect, Therese Leyva at tleyva1@live.spcollege.edu.

Thank you!

Did you know that our chapter actively practices the Service hallmark at least once a month? You can often find us at Upham Beach on the first Saturday of the month at 8:30am!

Even better news, the city provides us with parking passes so the only thing you have to be able to afford is a few hours to help make the community a brighter and cleaner place to live.

For May 2022, we will be replacing the beach cleanup event with the graduation fundraiser event as they are held the same weekend.

THE ETA NU 2022-2023 OFFICER TEAM

President

Therese Leyva

Vice President of Leadership

Jeremy Phipps

Vice President of Service & Scholarship

Cheryl Christian-Grant

Vice President of Finance & Communication

Allie Cook

Vice President of Fellowship

It could be you...

Chapter Advisor

Gyldas Ofoulhast-Othamot, Ph.D.

*Election for the 2022-2023 VP of Fellowship and swearing-in of the 2022-2023 Eta Nu Officer team will take place at our hybrid meeting on 5/2/22.

OFFICER POSITION AVAILABLE: **VICE PRESIDENT OF FELLOWSHIP**

Attention all Eta Nu members! Our chapter currently has a role to fill for the 2022-2023 academic year and on 5/2, and you might be just the person to join the Officer team.

The VP of Fellowship is responsible for bringing the chapter members together to celebrate our Fellowship hallmark! This would include setting up a gathering once a month with games and Amazon gift cards as prizes (that our chapter provides funding for).

Please nominate yourself or another active member (with their knowledge & permission) formally through SPC email to clance3@live.spcollege.edu and copy Ofoulhast.Gyldas@SPCollege.edu

A NOTE FOR OUR DEPARTING OFFICERS

When we discuss Phi Theta Kappa, we know that it entails all of us coming on an individual journey towards success and that we have all encountered tribulations on our academic path. The 2021-2022 Eta Nu Officer team managed to overcome some amazing feats and accomplished some incredible things through the year.

Whether that was welcoming in a new advisor, fighting the challenges that the pandemic brought, losing the entire officer team and having to rebuild and update by-laws... it was a lot. Although there are some changes to the team after the election this year, never forget the difference you helped make for your community, SPC, and our chapter. Your accomplishments will not be forgotten and will help to shape the future of Eta Nu.

To our departing officers- thank you for all that you have done to help create a brighter future for all of us, and we can't wait to see what you accomplish next.

With love, the 2022-2023 Eta Nu Officer team

UPCOMING EVENTS

Between St. Petersburg College, Phi Theta Kappa, and our lives outside of school... there's a lot going on! See what activities are coming up so you can get involved and see why we love PTK so much.
